Dear Mental Health Champion,

For over 30 years, the National Alliance on Mental Illness (NAMI) Wood County has continued to offer help and hope to families and individuals affected by mental illness through support, education, and advocacy. On the morning of Friday, June 3rd, our organization will be holding our annual awareness and fundraising event, *Drive Out the Stigma* Golf Outing.

Community support is crucial to the success of our mission, and this event provides multiple opportunities to give back. Be sure to review the attached forms to find the best fit for you. Your contribution will help to ensure our programming continues to be accessible to the Wood County Community.

Our organization, the National Alliance on Mental Illness (NAMI), is a 501 (c)(3) non-profit organization. We are nationally known for providing **free**, evidenced-based programming for individuals and families impacted by mental health conditions. We are partially funded by the Wood County Alcohol, Drug Addiction, and Mental Health Services Board in addition to grants, memberships, and donations. We rely heavily on individual and community engagement to further our mission.

If you have any questions about this request, feel free to call us at 419-352-0626. Thank you in advance for your consideration. Hope to see you at the *Drive Out the Stigma* Golf Outing!
